CSA Food Cooperative & Buying Club

Are you looking for all natural and local, organic food in the Lake George and Queensbury area? We will have two options this year for you to enjoy all natural produce from our farm and other area farms. Our Vegetable Share runs for 21 weeks for an annual price of \$425. This is about \$20/week for a mixed assortment of vegetables that you will pick up at our restaurant. We grow them onsite in an organic and sustainable manner. Here is a sample of what you will receive each week. The full share starts on Wednesday June 1st through October 21st. We are also doing a summer share for 12 weeks for \$275. This share starts the week of June 22nd and goes through September 9th. We only have a limited number of spots that fill up quickly.

EGG SHARE--We are offering an egg share from our pasture-raised flock of laying hens. \$3.25/week. Can be included or you can purchase a la carte.

Email me at kim@farmhousefood.com or call 518-338-8130 to sign up.
