### CSA Food Cooperative & Buying Club

Are you looking for all natural and local, organic food in the Lake George and Queensbury area? We will have two options this year for you to enjoy all natural produce from our farm and other area farms. Our Vegetable Share runs for 21 weeks for an annual price of \$415. This is less than \$20/week for a mixed assortment of vegetables that you will pick up at our restaurant. We grow them onsite in an organic and sustainable manner. Here is a sample of what you will receive each week. The full share starts on June 2nd through October 20<sup>th</sup>. We are also doing a summer share for 12 weeks for \$250. This share starts the week of June 23<sup>rd</sup> and goes through September 8th. We only have a limited number of spots that fill up quickly.

Email me at [kim@topoftheworldgolfresort.com](mailto:kim@topoftheworldgolfresort.com) or call 518-338-8130 to sign up.
